SPECIAL POINTS OF INTEREST:

- **Summer Sunday School is family style. All ages are welcome. We meet in our new modular building.**
- **Theme's for this Summer are following readings from the book of Acts**

PASTOR'S NOTE

Summer is almost over. I am reminded of one of my favorite summer memories. I was a camp counselor at Camp Luther in Three lakes, Wisconsin.

Every counselor chose their own nickname. I thought I would let the staff chose my nickname. The program director said, "If you don't chose one I will give you the name: Momar Kadafi." Yikes. So I quickly thought up a nickname: Guitarzan. Not everyone was a fan of that nickname. Little kids had a hard time with it, but it was fun. :)

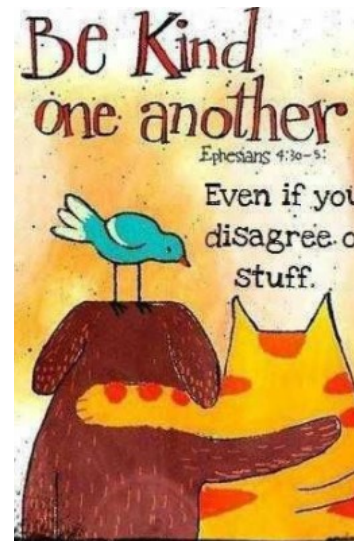

EDUCATION TEAM NOTE:

We would like to extend a big thank you to all who helped make VBS a huge success this year. The kids and adults had a great time both with the childcare in the mornings and our church family/community in the evenings. These opportunities to learn and grow in faith are not possible without everyone pulling together to make it happen. If you get a chance, please let our youth know how much you appreciate their

Our camp director reminded us as the summer was getting longer that we would not always get along with each other. We would get tired and irritable with each other. He reminded us of a verse in the Bible that we should keep in mind and sing to each other to help us through times of stress or difficulty. "Be Ye kind, one unto another Tenderhearted forgiving one another, Even as God for Christ sake has forgiven you. Doot do Ephesians 4:32 womp bomp.

May His kindness fill our hearts for each other.

efforts as well. It always amazes me that they are so willing to put their lives on hold for a solid week (including working around jobs and sports activities) so that they can be the leaders that we ask them to be.

Our next ed. team meeting is August 6th following the 10:30 service. We will be discussing fall Sunday School which kicks

off with a pot luck breakfast on September 10th. If you have an interest in teaching this year or if you have any questions please talk to Shari Kuttler.

NOMINATIONS TEAM

Here at Trinity Family of Faith Lutheran Church we have many opportunities to serve the needs of our congregation, childcare, and community! One way is by volunteering to serve as the leader of one of our Ministry teams. This October we will hold our Fall Voter’s Meeting to elect several vacant leadership positions. Presently, I am in the process of forming the nominating team. This team will be consist of: a representative from the Elders, two church members who are currently

not on the Executive Council, and myself. Our function is to find those servant minded members who would like to run for election. After meeting, our team will then submit the names of interested nominee’s to the President, Elders, and Pastor. The list of candidates is then submitted to the Executive Council for approval. The congregational voting membership also has the right to add oth-

er candidates to the list. The team leadership positions up for election are: Outreach, Education, Worship, Youth, Technology, President, and three Elders. If you have an interest in serving as a team leader, Elder, or President, I would be happy to talk with you more about it!

Blessings!

MISSIONS: HOPE FAITH & METRO LUTHERAN

Members of TFFLC have started serving at 2 different shelters this year and would love to see this outreach grow within our church family. We will be serving breakfast for Metro Lutheran Ministries on Saturday, September 2 and

Saturday, November 4th. We will also be heading to Hope Faith Ministries on Saturdays in October and December (dates to be determined) to work in their clothing shops and lead praise

and worship music. Both of these organizations are a great opportunity for us to grow as a church family while being the hands and feet of Christ that we are called to be. If you have questions about Metro Lutheran Ministry talk to Tasha Griffith and Hope Faith talk to Shari Kuttler.

OUTREACH TEAM: PRAY FOR EVERY HOME

When Jesus was asked which is the greatest commandment in the Law? He replied: “Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself.” One way to love our neighbor is to pray for them and in

August the Outreach team would like to introduce you to a great application called “Pray 4 Every Home”. The neat thing about this application, is that it will allow you to pray for 100 of your neighbors

by name! In August, we will talk more about this after one of the church services, but in the meantime if you are interested, go to pray4every-home.com and check it out.

REFORMATION 2017: 500 YEARS

This logo takes many elements from Luther's seal, which is the most easily recognized symbol for Lutheranism. It was common in Luther's day for people to create a seal or coat of arms for their families, and that seal told the world what the family cared about or did for a living. It's no surprise, then, that Luther's seal was all about Jesus! At the center of Luther's seal, and at the center of the Reformation 2017 logo, is a red heart in the middle of a white

rose. (The heart and rose together are commonly referred to as Luther's rose.) As Luther explained in one of his writings, "The heart in the middle of the white rose shows that faith gives joy, comfort, and peace. It immediately sets [the believer] into the

midst of a white, joyful rose, not like the peace and joy the world offers. That is why the rose should be white, not red. White is the color of the spirits and all angels." At the center of that rose is Jesus Christ and Him crucified. Jesus is the center and Rock of our faith. He has been since He came to Earth in the flesh, and He still is today. The word "still" bears witness to the ever and ongoing relevance of this one, saving truth for sinners.

STEWARDSHIP ARTICLE

Winston Churchill reportedly said that “we make a living by what we get, but we make a life by what we give.” According to Churchill then, our lives are defined less by what we have gotten, and more by what we give away.

Our Lord’s life is defined in this way. He gave completely of Himself for us. He became man for us. He taught the truth of God’s Word. He healed those with many and various diseases. He died the

death that we deserve because of sin. He gave of Himself in order to save us from sin, death, and hell. And so, it is that by giving completely of Himself, He got for Himself us, making us citizens of His eternal kingdom by grace.

As it was for Jesus, so it is also for us. We get more from giving than we do from simply getting. For giving softens our hearts and frees us from the grip which the worries of this world and making a living

has on us. For when we are singularly focused on making a living, we are singularly focused on what we get. That mindset begins to bleed into all areas of our lives—our relationships with friends and family, with neighbors and coworkers, and with the Lord. It shifts our focus from asking the question—How can I be a friend, family member, neighbor, and servant to others—to asking the question—what have they done for me late-

ly. We become more selfish instead of selfless.

But when we give, we do not have less, we have more because when we give we join in the bond of friendship and family, the bond of service to those around us out of love for them. And love is the fulfillment of the Law. It is the nature of God Himself, for God is Love. Thus we are reflecting the divine nature. As Jesus said “It is more blessed to give than to receive” (Acts 20:35).
